

PRAGMA 41

Collaborative TechScapes: Innovating Together for Future Societies

This is to certify that the following participants

have participated in the PRAGMA 41 x SEAIP Collaborative Action Hackathon, held in conjunction with The 41st Pacific Rim Application and Grid Middleware Assembly (PRAGMA 41), on January 8–10, 2026, organized by Thammasat University, Pathum Thani, Thailand.

Working under the hackathon theme “AI for Health Innovation – Developing Sustainable Solutions for Global Challenges”, they collaboratively developed and presented the project entitled

AI-based Decision-Support System for Sepsis Management in the Intensive Care Unit (ICU)

**In recognition of their outstanding performance, the team was awarded the
Excellent in Team Work Award**

Participants

Raihan Ghifari Winata, Yarsi University, Indonesia
Yahya Alghazali Mushlih, Yarsi University, Indonesia
Pattayawat Poolsawatt, Thammasat University, Thailand
Chanat Hattarungrueng, Thammasat University, Thailand
Chanitnan Kitnantakhun, Thammasat University, Thailand
Wirakorn Thanabat, Thammasat University, Thailand

This certificate is awarded in recognition of their collaborative effort, innovation, and contribution to the development of impactful solutions addressing global health challenges through artificial intelligence.
